

## MANY ATTENDED FARM MEETING IN BAINBRIDGE

MONROE TOWNSHIP INSTITUTE  
MONDAY PROVED VERY  
INTERESTING

### AWARDS LISTED

For Next Year's Farmers'  
Institutes Chosen During Mon-  
day's All-Day Session

Farmers from Monroe township  
and vicinity heard optimistic mes-  
sages from speakers at their farm-  
ers institute, held in the gymnas-  
ium of the Bainbridge High School,  
Monday. Inclement weather  
prevented with keeping some farm  
women at home, who  
there would have been present.  
There was a very good atten-  
dance. They found the gym an ad-  
mirable auditorium for their pur-  
pose.

Mrs. May Miller led the commu-  
nity singing at the opening at 9:45  
in the forenoon, the invoca-  
tion was delivered by Howard Gos-  
sett. Music numbers were given  
by Mrs. Ader and Dorothy Bress-  
ler. Harmless, by the Bain-  
bridge High School band and chorus. The  
closing also, was by Mr. Hos-  
sett.

Francis Lane, chairman of the in-  
stitute, organization for the current  
year, presided. Otha Bales was vice  
president and Mrs. Earl O'Hair was  
secretary-treasurer. They were at-  
tended by the officers chosen  
at the close of the institute.

Officers elected for the new year  
were the following: President, Noel  
Johnson; vice chairman, Howard  
Johnson; secretary-treasurer, Mrs.  
Evelyn Leaman; program commit-  
tee, Mrs. Roland Lane, Mrs. Fred  
Hendrich, Harry  
Hendrich.

The attendance at the forenoon  
session was 85 which was increased  
to more than twice that—196—for  
the afternoon session.

Committees that worked for the  
success of this institute had the  
following chairmen and members:  
Finance Committee—Harvey Nich-  
ols, chairman; Earl O'Hair, Webb  
Hendrich.

Arrangements Committee—Arthur  
Giltz, chairman; Hershel Nichols,  
George Bates, Jeff Baughman.

Membership Committee—Jess  
South, chairman; Ben Pruitt, Mrs.  
Clifford Reeves, Mrs. Arthur Giltz.  
Men's Exhibits Committee—Paul  
McClanahan, chairman; Frank Fraz-  
ar.

Boys Exhibits Committee—Fran-  
cis McClure, chairman.

Girls Exhibits Committee—Ber-  
niece Steward, chairman; Mrs. El-  
mer Hail.

Program Committee—Mrs. Clif-  
ford Earley, chairman; Dolby Col-  
lins, Mrs. Russek, Scoobie, James  
McClure.

Nominating Committee—Fred  
McClure, chairman; Ralph Clodfel-  
der, Mrs. Francis Lane.

Dinner Committee—Mrs. Ascha  
Bales, chairman; Clifford Earley,  
R. J. Coffman and Miss Christine  
Bales were assistant judges.

The speakers were L. O. Chassey,  
farmer from Grant county, and  
Mrs. Dan Hey, Jr., of Shelbyville.  
Both stressed the inspirational mo-  
tivation in their talks. The former  
spoke on "My Farm" and the latter on  
"Across the Counter," at the  
forenoon session. In the afternoon,  
her topic was "Finding Contentment  
in Rural Living" by Mr. Chassey,  
and "Home Community Enter-  
tainment" by Mrs. Hey.

Mr. Chassey was inclined to scold  
the farmer who fails to find his vo-  
cational best in the world. He said  
the farmer has the advantage over  
the town dweller in that he always  
takes a living off his farm, even if  
he does not lay away riches, and he  
lives well, too, Mr. Chassey said. Mr.  
Chassey said: "Adam got in trouble  
while he was idle in the garden of  
Eden but when he got out and be-  
gan following the plow, he kept out  
of trouble. The farmer should feel  
he is in partnership with God; no  
other calling is so hand in hand with  
the Almighty as is that of the farm-  
er. The farmer does not fear a part-  
ner; he bargains his own fate, to a  
greater extent than any other man."

## BILL AFFECTS NONE OF PUTNAM CO. TOWNSHIPS

The bill in the State Legislature  
providing for the eliminating of all  
townships in the state which have  
a total assessed valuation of less  
than \$500,000 has caused some inter-  
est in Putnam county, where the  
valuations in some of the township  
are known to be much lower than  
others in the county. However, no  
township in the county qualifies  
for elimination under the proposed  
law, nor comes anywhere near the  
deadline.

The total assessed valuations in  
Putnam county townships are:  
Clinton, \$840,366.  
Cloverdale, \$1,081,198.  
Floyd, \$914,435.  
Franklin, \$1,592,780.  
Greencastle, \$7,237,445.  
Jackson, \$1,202,368.  
Jefferson, \$936,847.  
Madison, \$956,772.  
Marion, \$2,033,981.  
Monroe, \$1,129,869.  
Russell, \$1,180,365.  
Warren, \$69,340.  
Washington, \$1,571,808.

## Recount Case Still Pending

JUDGE HANCOCK STUDIES SUG-  
GESTIONS MADE BY C. C.  
GILLEN

The suggestions of Attorney C. C.  
Gillen of special findings of facts  
and conclusions of law, in the elec-  
tion contest suit of Fall vs. Cross,  
were handed to Judge Howard L.  
Hancock, special judge, Monday  
afternoon while the jurist was in the  
Putnam Circuit court as a special  
judge in the Simpson-Sutherland dam-  
age suit. Judge Hancock accepted  
them, and took them back to Rock-  
ville with him, for consideration.

Asked if he would care to name a  
tentative date for his return to  
Greencastle to make public his ruling  
in the recount suit, Judge Hancock  
said he could not do so. He has a  
pressure of business in his own court,  
and is a special judge elsewhere, in  
addition.

Mr. Gillen represents the defend-  
ant-contestee, Andy L. Cross, in this  
case. The attorneys for Mr. Fall,  
John H. Allee and Chase Harding,  
the latter of Crawfordsville, filed  
their special findings with Judge  
Hancock some time ago.

The suggestions of the attorneys  
as to findings and interpretation of  
law are voluminous, each protested  
one of the 373 ballots being a poten-  
tial subject for such findings, by  
each attorney.

Brothers, 11:30.

The party will have luncheon at  
Roachdale. There will be an after-  
noon session in the Roachdale li-  
brary, at which there will be a gen-  
eral discussion of the beef cattle  
situation, with special reference to  
Putnam county.

mons barber shop in Greencastle,

son at 7:34 Wednesday morning, be-  
ing Putnam county's lone contribu-  
tion to the state's present quota of  
120 Negro selectees under the draft  
law's provisions. Ferrell passed the  
local physical examinations but will  
undergo further examinations at  
Fort Harrison.

March 1, five Putnam county  
young men will be sent to Fort Har-  
rison and between March 2 and April  
1, an additional 37 to 40 will be sent.  
The names of those included in these  
lists have not yet been announced.  
They all will be in class 1-A, how-  
ever, and will be drawn from those  
who have already received question-  
naires.

## JAPAN WOULD TAKE ROLE OF PEACE MAKER

JAPS CLAIM THEIR ALLIANCE  
WITH AXIS IS ENTIRELY  
PEACEFUL ONE

### CREATE DIPLOMATIC POST

Naname Wakasugi Appointed To  
Post Of Minister At Embassy  
In U. S. Capital

TOKYO, Feb. 18.—(UP)—Japan,  
acutely anxious over the attitude of  
the United States and Great Britain  
toward her expansionist ambitions,  
offered today to assume the role of  
peace maker anywhere in the world.

By implication she invited Britain  
to make peace at once with Germany  
and she suggested that, as regards  
the Far East, the best way to avoid  
a clash was for the United States to  
confine its interests and activities  
to its own hemisphere.

At the same time the government  
moved to strengthen its embassy at  
Washington by creating the post of  
minister. Kaname Wakasugi, former  
consul general at New York who is  
now special adviser to Admiral  
Kichisaburo Nomura, the ambas-  
sador, was named minister.

Koh Ishii, chief of the cabinet in-  
formation bureau, a post corresponding  
to that of propaganda minister,  
made the peace statement.

Asserting that Japan had been sur-  
prised at the concern shown by some  
countries over the Far Eastern ten-  
sion, he said Japan could see no  
reason for alarm. He said Japan's  
alliance with Germany and Italy was  
an entirely peaceful one.

Japan, Ishii said, could see no rea-  
son to prolong the war. Mentioning  
only Britain specifically, he said that  
the present situation demanded  
statesmanship and that Japan hoped  
it would not be wanting.

"In conclusion," he said, "we want  
to make it clear that Japan is fully  
prepared to act as mediator or to  
take whatever action is calculated to  
restore normal conditions not only in  
greater East Asia but anywhere in  
the world. The leading powers have  
a great responsibility in restoring  
world peace and civilization, and  
such responsibility can only be ful-  
filled by wise and generous states-  
manship which is willing to listen to  
the claims and contentions of  
others."

The statement was read in mem-  
ory of a visit which Sir Robert  
Craigie, the British ambassador,  
made to Foreign Minister Yosuke  
Matsuoka Saturday and the urgent  
American government warnings to  
Americans to leave the Far Eastern  
trouble zone. Craigie was under-  
stood to have expressed to Matsuoka  
the same misgivings as to Japanese  
acts which Anthony Eden, British  
foreign minister had expressed to  
Mamoru Shigemitsu Japanese am-  
bassador at London. Diplomatic  
quarters were inclined to interpret  
Ishii's statement as intended to con-  
vince the world that Japan was with-  
out intentions.

## LOCAL BOY HONORED BY BLUE KEY GROUP

Jack Coffey of Greencastle has  
been elected to membership in the  
Blue Key National Honor Fraternity  
at Indiana State Teachers College.  
Members of the chapter are the high-  
est ranking men students on the  
campus, and in addition to being  
voted into membership by the stu-  
dent members, they are approved by  
President Ralph N. Tiley, Dean J.  
E. Grinnell, and Dean of Men F. H.  
Weng. Blue Key has more than  
eighty chapters on leading college  
campuses of the nation and Coffey's  
membership entitles him to the priv-  
ileges of the national organization.  
Coffey is the president of the junior  
class at Indiana State.

## SOY BEAN TRAIN TO STOP AT ROACHDALE

The agriculture development de-  
partment of the Baltimore & Ohio  
railroad corporation is sponsoring a  
soy bean train tour which will make  
its stop in Putnam county at  
Roachdale, March 14. The program  
there will occupy the entire after-  
noon, from 1:30 to 5 o'clock.

Starting at the opening hour,  
there will be a special program to  
vocational agriculture and home eco-  
nomics students, closing at 2:30.

There will be a farmers' program  
from 2:30 to 5, and during that  
same period, a women's cooking  
school will be held.

OF OFFICERS HELD BY  
CONSERVATION CLUB

Officers and members of the Put-  
nam County Conservation Club held  
a dinner meeting at the Hotel Grant  
Monday evening, during which time  
officers for the ensuing year were  
chosen and plans were made for a  
busy program during the new year.

Maynard Johnson was elected  
president of the club, while Jake  
Hirt was named vice president and  
Robert Hadley was chosen secretary.  
Wilbur Grimes was named club dele-  
gate and the board of directors in-  
clude Leon Snider, H. G. Reckley,  
George Heck, William Crawley, re-  
tiring president, and Walter Seeley.

One feature announced at the  
meeting was the fact that the United  
States conservation authorities will  
locate a game refuge in this vicinity  
during the present year.

The club officials also voted to buy  
a fine rifle to be presented to the Junior  
Conservation club member doing out-  
standing work. It is one of the live  
wire organizations of the city high  
school and has done much construc-  
tive work since its organization.

It is expected that the annual din-  
ner meeting for all members will be  
held on the evening of the first  
Thursday in March. This is one of  
the big events of the organization  
and is usually attended by about 100  
or more members.

## 20 Years Ago IN GREENCASTLE

Rev. V. L. Raphael was delegate  
from Putnam county to the State  
Sunday School association meeting.  
While there, he was invited by  
Speaker McClure to conduct the de-  
votional exercises of the House of  
Representatives.

Mrs. Walter Albaugh was at Lin-  
coln, Neb., called by the death of her  
mother, Mrs. H. B. Fox.

## HOLDING HIS OWN

City clerk Paul Grimes, who is  
confined to the Robert Long hospital  
in Indianapolis, was reported as  
"holding his own" Tuesday morning.  
Members of his family believed that  
he was a little better and somewhat  
stronger which is encouraging news  
to his many friends.

## Cooking School To End On Wednesday

MANY NEW IDEAS ARE PRE-  
SENTED BY MISS JESSIE  
HOGUE

Women and men from all over  
Putnam county are talking about  
The Daily Banner Cooking School  
being held at the high school audi-  
torium and most of this talk is being  
created by the demonstrator-lectur-  
er, Miss Jessie Hogue, who has many  
new and fascinating cooking ideas.

Having talked before a large audi-  
ence Monday and Tuesday, Miss  
Hogue will conclude her school to-  
morrow afternoon at 2:00 o'clock.  
At this time all the remaining prizes  
will be awarded and women or men  
desiring to ask questions or receive  
special cooking information may do  
so.

Miss Hogue's audience has been  
particularly well pleased and many  
women from all sections of Putnam  
county say that this school to date  
has been most instructive. On Mon-  
day, in the session held that day,  
Miss Hogue cooked potatoes in a  
whole box of salt to the amazement  
of the entire audience. The potatoes,  
when sampled proved to be particu-  
larly tasty.

This is just one of the many ideas  
which Miss Hogue has left with the  
people of Putnam county. At the  
session tomorrow, she will give to  
the public many more ideas which  
will save the housewife money and  
which will make cooking more pleas-  
ant.

toward her expansionist ambitions,  
sored by The Daily Banner and the  
merchants who cooperate to make it  
one of the largest schools of its kind  
for a city of this size.

## Mercury Dips To Nine Above

CITY SHIVERS IN NEAR ZERO  
COLD WAVE EARLY  
TUESDAY A. M.

A low temperature of 9 degrees  
above zero was reached at 6 o'clock  
this morning, and that reading was  
duplicated an hour later, but, at 7  
o'clock, the reading was one degree  
higher.

The 9-degree record at 6 o'clock  
was a drop in temperature of two de-  
grees from only an hour earlier in  
the morning, the reading being 11  
degrees above at 5 a. m.

Some thermometers in this vicinity  
gave readings lower than that quoted  
above, some of the difference being  
due to a difference in elevation, pro-  
tection, and other conditions.

## AIR RAID TOLL

LONDON, Feb. 18.—(UP)—The  
Ministry of Home Security said to-  
day that 1,502 civilians were killed  
and 2,012 were injured sufficiently  
to require hospital treatment in  
German air raids on the British Isles  
during January.

Mrs. J. J. Ector of Yakima, Wash.  
is here visiting with friends.

## City Council In Regular Session

400 FEET OF NEW FIRE HOSE  
PAID FOR AT MONDAY'S  
MEETING

The Greencastle city council met  
in regular session Monday evening  
at 7:30 o'clock. Two of the official  
family, Paul Grimes, city clerk and  
Councilman Gwin Ensign, were ab-  
sent due to illness.

In the claim ordinance which was  
passed by the council was an item  
for the payment of 400 feet of new  
hose for the fire department.

There was considerable discussion  
in regards to the municipal airport.  
It is apparent that to provide a  
suitable training field for Civil Aer-  
onautics Authority students the city  
would have to spend approximately  
\$10,000 and from the talk Monday  
night the council seemingly frown  
on such a step. The government  
would also spend the same amount  
before the airport would be approv-  
ed. As the matter now stands, De-  
Paul students who are enrolled for  
the flying course will take their  
training under Col. Roscoe Turner  
at Indianapolis during the present  
school semester.

## Local Option Bill In House

DR. RENOS H. RICHARDS OF  
PATRICKSBURG AUTHOR  
OF MEASURE

The local option bill introduced in  
the Lower House of the State Legis-  
lature by Dr. Renos H. Richards, of  
Patrickburg, joint representative  
from Owen and Putnam counties, is  
one of two bills which was the cen-  
ter of a wet-dry conflict on the floor of  
the House today. The committee on  
public morals agreed to report for  
passage the Richards bill and also  
one introduced by Representative  
Nelle B. Downey, of Indianapolis,  
which, in general, has the same pur-  
pose in its provisions as that of the  
Richards bill.

The Richards bill provides that a  
remonstrance signed by 51 per cent  
of the voters in a township or ward  
would be a mandate upon the local  
liquor board to deny application for  
liquor license.

A motion before the committee to  
defer action on the Richards bill was  
lost by a margin of one vote and  
after Chairman Glenn A. Markland  
of Zionsville insisted that "something  
definite be done with the bill," the  
committee voted 5 to 4 to send it out  
with recommendations to pass.

Those protesting the measure in-  
dicated they might file a minority  
report, a move which would force a  
fight on the issue immediately in-  
stead of later when the bills come  
out on second reading.

Spread over the committee table  
were hundreds of petitions bearing  
the signatures of thousands of Indi-  
ana persons favoring or protesting  
passage of the Downey and Richards  
bills.

## FIREMEN MAKE RUN

A defective stove pipe resulted in  
the city firemen answering an alarm  
at the home of Miss Angie Godwin,  
901 south Indiana street, Tuesday  
morning. Damage, according to Fire  
Chief Harry Ragsdale, was estimat-  
ed at about \$20.

### SECURE ROUTE TO GREECE

Turkey Bows To Wishes Of Soviet  
Russia In Non-Aggression Under-  
standing With Bulgaria

### BULLETIN

SOFIA, Feb. 18.—(UP)—Great  
Britain warned Bulgaria today that  
"German movements" may cause  
severance of diplomatic relations and  
draw Bulgaria directly into the war.

SOFIA, Bulgaria, Feb. 18 (UP)—  
Bulgaria and Turkey, by their de-  
claration of neutrality, friendship and  
non-aggression, have created a wide  
open road for Germany to march  
into Bulgaria at any time to compel  
Greece, by pressure or by force, to  
make peace with Italy, diplomats  
believed today.

It was reported in diplomatic  
quarters here that Soviet Russia  
had urged Turkey to conclude the  
agreement with Bulgaria and thus  
Germany could be sure if assurance  
were needed, that Russia would not  
oppose an invasion of Bulgaria.

No doubt was entertained here  
that the declaration was a German  
diplomatic victory which materially  
altered the political situation in the  
Balkans.

Diplomats discounted the import-  
ance of an escape clause which said  
the declaration was agreed upon  
"without prejudice to engagements  
contracted with other countries"—  
meaning Turkey's engagements  
with Britain for defense of the  
Near East.

Russia was represented as having  
taken the view that even if the Ger-  
mans attacked Greece they would  
leave the Dardanelles alone and  
that at the same time a Nazi march  
into Greece would nullify the  
importance of the Dardanelles.

Bulgaria's reaction was that of  
relief in the belief that the declara-  
tion dispelled any threat of a war  
with Turkey if Germany invaded  
Bulgarian territory.

The Turkish-Bulgarian agreement  
was described officially as a declara-  
tion, not a pact. Nevertheless the  
belief here was that it was equiva-  
lent to a formal treaty in so far as  
any Turkish action to oppose a  
German march into Bulgaria was  
concerned.

ROME, Feb. 18.—Announcing that  
the second group of the army class  
of 1921 would be called to the colors  
Feb. 27 and 28, the ministry of war  
made it known today that university  
students would no longer be given a  
postponement of service until they  
had concluded their studies.

The first group of the 1921 class,  
youths who reach their 20th year  
during 1941, was called to the colors  
in January.

The class is estimated as 300,000.

ATHENS, Greece, Feb. 18 (UP)—  
Greeks have captured 330 more It-  
alians, mostly from Alpini and  
Black Shirt units, on the northern  
section of the Albania front, a gov-  
ernment spokesman said today.

New mountain positions on the  
central and northern fronts were  
taken by the Greeks and the Italians  
lost valuable material when two of  
their counter-attacks were repulsed.

ROME, Feb. 18 (UP)—Italy ad-  
mitted the loss of Chisimaio, port of  
southern Italian Somaliland today,  
but the high command communique  
said fighting in that sector contin-  
ued. Before evacuating the port, the  
communique said, the Italians  
"completely obstructed" it.

## "Gone With The Wind" Technician Recalls Light Horse Artillery Days at DePauw

Technical advisor for the renowned film, "Gone With The Wind", which reopens in Greencastle tomorrow, was Wilbur G. Kurtz, DePauw, ex-'06.

In the early stages of filming he was instructed to arrange the artillery units for the scenes in the siege of Atlanta.

Usually Mr. Kurtz can comply with his orders without much difficulty, but it happened that his only knowledge of the ways of war had been gained from his training period in the old DePauw Military School late in the '90's.

The unit's equipment consisted of several cannons which, even then, were classed as museum pieces.

Writes Concerning "Maneuvers" Referring to the "maneuvers" in a letter to Mr. Russell Alexander, publicity director, Mr. Kurtz wrote:

"On these occasions, some eight or twelve horses were rented from the Greencastle livery stables and these were hitched to the old cannon and limbers. 'Twas a brave sight when they galloped out of the arched portal of the old armory and moved along the cinder driveway to East College campus."

Director Compliments Kurtz With this as a background, Mr. Kurtz made such a success of his task that Hal Kern, director of the epic film, expressed his appreciation by saying, "You cooperated with us in this production—you didn't dare us to do something!"

When the picture was premiered in Atlanta, Governor Rivers of Georgia made him an honorary colonel on his staff.

Mr. Kurtz was a resident of Greencastle from 1889 to 1904 and was a student in the old DePauw Art School in 1901 and 1902.

on his porch and looking out over the very limited area in front of him said, "Well, here I am and how I wish I were not."

Mrs. Hey talked of buying in stores by farm women, and made many suggestions for the best ways to carry on that important part of the farm woman's life.

Awards were made in the exhibits of farms and farm homes and of young people's work as follows:

### FARM INSTITUTE

For want of PRECAUTION the GENERAL was lost!

"Let my cold go as it came," said Washington as he strode forth into the storm. Three days later he died of complications arising from the cold he had treated so lightly. In fact, colds are such an old story that we are ALL inclined to treat them lightly, forgetting that a cold may actually be the beginning of something more serious. If a cold doesn't yield immediately to the usual home remedies, lose no time in seeking the professional advice of your physician.
